**Table Setup:**

The minimum painters should be set apart is 24", an most folding chairs are 18 1/2" wide so 2' or 24" is an ideal setting. If your table is of standard width (30") you can set the tables up vertically in the room and have painters on both sides of the tables; just make sure your easement between allows for chairs that are back to back have enough room to move about. PWF requires the tables to be between 6' and 10' from the Artist, and the maximum distance from the artist to the farthest painter is 40'.
